Rich foods served ice-cold are difficult to digest by the majority, and often USE produce a chilling of the entire digestive tract. The liver thus becomes sluggish, when the condition. Serious as it may seem, however, to the unfortunate person, it is easily curable with a remedy such as the well-known Dr. Caldwell's Syrup Pepsin, which is a great laxative and tonic, and which contains ingredients that act upon the liver and stimulate it. It will relieve a hot-weather liver complaint overnight and cure it lastingly in a very short time. If you have any indisposition of the stomach, liver or bowels, your first concern should be a supply of this grand-remedy, which you can obtain of any druggist for 50 cents or \$1.00 a bottle. There will be enough and to spare for your complaint and that of your family. A FREE TRIAL BOTTLE will be sent to those who have never used it if they send their name and address to
